

# LULALEND

R10 000 to R5 000 000

Apply online within minutes. Let us know the funding you are looking for and enter some standard personal and business information. Upload your recent bank statement or link your internet banking account and you are done.

Your personal and business information is always safe and secure.

Must be in business for over a year, Annual revenue must be R500 000+

Must be based in South Africa

## ***What will I pay?***

Every month you pay back 1/6th or 1/12<sup>th</sup> (depending on which plan you choose) of the total advanced amount plus the monthly cost. Monthly costs are 2%-6% of your advance amount for the first 2 or 4 months (plan dependent) and 2% of each of the remaining months. ***You can pay early and save***

You need to decide which plan 6 months or 12 months and how much do you need.

Types of Business Funding

Bridging finance, Credit Facility, Equipment finance, Inventory finance, Refinancing

We aim to have funds in your bank account within 24hrs once approved.

## **EXAMPLE**

How much do you need

R80 000

Repay in 6mths
