

## **ART IN THE PARK SCHOOLS ART COMPETITION**

The Art in the Park Schools art competition called 'Through an eye of a child' is an innovative art initiative that recognises the artistic and cultural talent of students. Therefore the students are given artistic licence to represent the theme through their own interpretation and creativity. The theme for this year is: **“Let us keep our Environment Clean”**

This provides learners with the opportunity to showcase their individual artistic talent. The main objective of the initiative is to channel the student's positive thoughts revealing the passion they have for art whilst displaying consciousness of the environment they live in.

The winners of the 57<sup>th</sup> Art in the Park schools art competition were as follows:

**3<sup>rd</sup> Prize winner: Merchiston Preparatory School**

**2<sup>nd</sup> Price Winner: Grace College**
